

Peal Compositions
of
Bristol Surprise Major
by
David G Hull

11 January 2008

This document represents my complete collection of compositions of Bristol Major, both rung and unring. Where known, rung compositions are marked with an asterisk, although there are probably some omissions.

As with any collection of compositions, typographical errors creep in from time to time. I hope I have kept these to a minimum but please, as always, prove a composition before you ring it. Please let me know of any errors that you find.

Anyone is welcome to ring any of the compositions, although please let me know if you ring one that isn't marked as having been rung before (and please credit the composition number in *The Ringing World* / Campanophile report).
